me: still working on it, just told the agent I'd probably have it in tomorrow and he said that was fine
Karen: Super!
Karen: Don't forget to turn off your phone tonight. Alarm is set for 9 -- I can come get you and help get it into shape? Want to come over here for the day? I will bake you a pie :)
me: I can handle it, thanks
Karen: OK, talk in the morning, love you -
me: love you too
